SUMMARY

Detail-oriented Front End Developer with a focus on building robust, scalable applications using Next.js, React.js, and TypeScript. Passionate about writing clean, maintainable code and implementing efficient, logical solutions to complex problems. Committed to continuous learning and contributing to high-performance development teams.

EXPERIENCE

Oct 2024

Frontend Developer

Gjirafa, Inc.

Develop and maintain frontend features for a production web platform, contribute to internal dashboards and admin panels, and continuously improve existing functionality while ensuring scalable and maintainable code.

Nov 2023 — Sep 2024

Fellow

LIFE from Gjirafa, Pristina, District of Pristina, Kosovo

Successfully completed the Life from Gjirafa training program, where I gained insights into the technology industry and strengthened my technical and problem-solving skills. The program also enhanced my collaboration, communication, and teamwork abilities while working in a professional tech-oriented environment.

EDUCATION

2021 — 2024

Computer science and engineering

UBT - University for Business and Technology, Prishtinë
